

Introducing...

The Alpha® Training DVD Series

With the increasing demand for custom fabrication and installation of kitchen countertops and bathroom vanities, Alpha Professional Tools® has created a new educational product line for our customers. Granite Countertop Fabrication and Installation is the newest educational DVD produced by Alpha®. This step-by-step DVD guides the viewer through all phases of production including purchasing materials, fabrication techniques, installation and presentation to your client. Learn specialized techniques that are used to create superior results. This DVD can be purchased through our extensive dealer network. If you are looking to expand your knowledge in the countertop fabrication business, then this DVD is for you!

- **First comprehensive DVD in the industry**
- **Step-by-step instruction**
- **Alpha® leads the way with this exclusive item**
