

## 2010 Go Green Form

In an effort to "Go Green", Alpha® is implementing technologies to reduce the amount of printed materials such as sales order confirmations, invoices, statements, etc and will soon be sending invoices via e-mail. Please complete this form to ensure your account information is current.

We have grouped the various contacts into categories: Sales, Purchasing, and Accounting (Invoices, Statements, etc). Access to our website Members' Section has two categories: Dealer Program Information & Pricing, and Artwork & Marketing Materials.

**Complete the information below and place an X in the appropriate columns.**
