

Join us for the **Brickworks Supply Manufacturer Showcase 2026** — an exciting, hands-on industry event bringing together leading manufacturers, product experts, and professionals from across the masonry, hardscape, and building industries.

This one-day showcase is designed to give attendees the opportunity to **explore new products, connect directly with manufacturers, attend educational product sessions, participate in hands-on training opportunities, and enjoy a fun, engaging day at Brickworks Supply.**

Throughout the event, guests will have the opportunity to:

- Visit with **leading manufacturers and vendor trade-show displays**
- Talk directly with **product experts**
- Attend **educational product and application sessions**
- Participate in **hands-on training demonstrations**
- Enjoy **lunch, food, drinks, networking, and prize opportunities**
- Discover new products, tools, and solutions for upcoming projects
