NATIONAL PLASTERERS COUNCIL

PLASTER START-UP CLASS

and Vendor Social

TUESDAY, OCTOBER 7, 2025

START YOUR DAY WITH AN NPC PLASTER STARTUP CLASS HOSTED AT OUR BRANCH, THEN WRAP IT UP AT OUR VENDOR TABLE TOP EVENT NEARBY!

The NPC Certified Start-Up Technician program is an 8-hour course designed to teach proper swimming pool start-up techniques using the National Plasterers Council's industry-standard method. **Participants will learn about plastering materials, water chemistry, testing methods, start-up procedures, the Langelier Saturation Index, and common issues with solutions.** The course provides a valuable certification to enhance expertise, promote businesses, and gain a competitive edge. It concludes with a 60-minute written test. **Ask us for more information on how to sign up for this class!**
