Alpha® VSP-120, 1/2" Electroplated
Drill Bit and the Alpha® Drill Bit Adapter.

Photo below shows:
Standard drill with an Alpha®
Electroplated Drill Bit

Alpha® Wet Diamond Drill Bits are premium Electroplated Bits for drilling fastening holes, corner holes for cut-outs, pipe and faucet holes . The electroplated diamonds cut clean, smooth holes through all granite, ceramic, marble, porcelain and glass tiles. These bits can be used on standard drills, but also fit on polishers with 5/8"-11 spindle using the Alpha® Drill Bit Adapter. The hollow center allows for easy removal of core material.

PART NO.	SIZE	SHANK	MAXIMUM RPM	DESCRIPTION
CH7205	3/16"	3/8"	3,500	Electroplated Drill Bit
CH7206	1/4"	3/8"	3,500	Electroplated Drill Bit
