

Apply Nichigo G-Tape™
to the tops of joists,
over ledger board and
around posts to prevent
wood rot for up to
20 years!

Features

- Hand-tearable. No tools needed
- Adhesion improves with time
- No roller primer or heatgun needed
- Face-to-face contact doesn't effect adhesion providing less waste and easier workability
- Wide temperature range (-40°F to 200°F)
- All-weather (-20°F to 200°F | -29°C to 93°C)
- High tensile strength
- AAMA 711-13 Level 3 Certified
- Self seals around fasteners
