Alpha® introduces the new Ecoguard, designed for collecting dust when using our High-Speed Angle Grinder. The Ecoguard Type C is for used when cutting with dry blades up to 5” in diameter. It is made of high-quality construction for heavy-duty applications. This hybrid dust collection cover eliminates the mess and can be used with or without a vacuum!

**Using the Ecoguard Type C with the HSG-125** The HSG-125 has two flange/lock nut sets included that allow the use of 4”, 4-1/2” and 5” diameter blades. It can also be used on other manufacturers’ machines by simply changing the connector.

**Equipment Included**

- Ecoguard Dust Collection Cover w/ Connector
- Collar
- Additional Connector Assembly for Most 5” Grinders
- Flange and Locknut Set for Selective Grinders
- Dust Bag
- Rubber Hose Adapter
- Spacers
- Stainless Steel Hose Band
- Pin Wrench
- Foot Plate
- Bottom Plate
